

# ALVIN ZONDI

## Full Stack Developer

---

Claremont , Cape Town · 0676049312 · alvinzondi@gmail.com · [Linkedin link](#) · [Github link](#) · [HyperionDev link](#)

---

Motivated and enthusiastic full-stack web developer with a strong foundation in building responsive, dynamic web applications. Skilled in React.js, Node.js, Express and modern web technologies, with hands-on experience through projects such as an e-commerce platform, beat store, and weather dashboard. Eager to work with a team of developers and grow as a professional developer

---

## SKILLS

---

**Technical Skills** HTML · CSS · Javascript · React.js · Node.js · Express.js · MongoDB · RestFul API · Tailwind, Bootstrap · Github · Git

**Soft Skills** Time management · Communication · Creativity · Problem-solving · Multitasking

---

## EXPERIENCE

---

**HyperionDev** · Full Stack Web Development Bootcamp 05/2024 - 12/2024

Worked with the 'full stack' of web technologies to build both the front- and back-ends of websites, to create online stores, homepages, and other platforms that look great and work even better.

- Achieved an overall grade average of 97% across all bootcamp assignments and projects
- Specialized in the MERN Stack (MongoDB, Express.js, React.js, Node.js) for building full-stack applications.
- Acquired hands-on experience with key web development libraries.
- Successfully completed several practical, real-world projects such as Weather App, Quotes API and a Beat Store - A full-stack platform for selling and purchasing music beat

**Alex Welding Company** · Customer service Advisor 02/2022 - 2023

- Handled 50+ daily customer inquiries via phone, email, and chat with a 95% first-contact resolution rate
  - Providing product/service Information – Explaining company products, services, and policies to customers
  - Processing orders and payments – Assisting customers in placing orders, processing payments, and tracking shipments
  - Providing follow ups – Calling or emailing customers to ensure their issues have been resolved satisfactorily
- 

## EDUCATION

---

**Full Stack Web Development Bootcamp** · HyperionDev · 05/2024 - 12/2024

- Certification: Full Stack Web Developer
- Grade: 97% overall average

**Wynberg High School** · National Senior Certificate – Bachelor's Pass · 01/2017 - 12/2021

---

## PROJECTS

---

### • Beat Store Application

Developed a full-stack beat store with Stripe integration, music player functionality, and admin beat management features.

• Technologies Used: React.js, Tailwind CSS, Node.js, MongoDB, Stripe API

• Live Demo: [beatStore](#)

• Github: [Repository](#)

### • Online Clothing Store

Built an e-commerce platform featuring product browsing, cart functionality, and dynamic shipping price updates.

• Technologies Used: React.js, Redux, Styled Components, Node.js, Express.js

• Live Demo: Clothing store

• Github: Repository

### • Coding Bootcamp Website

Built a static website using React as part of a coding bootcamp. This project helped me improve my front-end skills and create clean, responsive web pages.

• Technologies Used: React.js, Node.js

•Live Demo: Coding website

•GitHub: Repository

---

## ACCOMPLISHMENTS

---

•In my role as a Customer Service Advisor, I successfully handled high call volumes, resolved customer issues efficiently, and consistently met performance targets. I also contributed to process improvements by updating knowledge bases and assisting in training new hires. Additionally, I expanded my technical skills by learning computer science, enhancing my problem-solving abilities and understanding of digital systems.

• Successfully applied analytical skills from financial advising to resolve web dev issues.

• Earned a Full Stack Web Development Certificate from HyperionDev, demonstrating proficiency in both front-end and back-end technologies.

---

## SELF STUDY

---

**Javascript for beginners** • Udemy • 07/2023 - 11/2023

• Completed 40+ hours of JavaScript fundamentals training

**Html, Css for beginners** • Udemy • 06/2023

•Mastered responsive web design principles
